The Steampunk User's Manual: An Illustrated Practical and Whimsical Guide to Creating Retro-futurist Dreams by Jeff VanderMeer, Desirina Boskovich ISBN 1419708988

Steampunk, the retro-futuristic cultural movement, has become a substantial and permanent genre in the worlds of fantasy and science fiction. A large part of its appeal is that, at its core, Steampunk is about doing it yourself: building on the past while also innovating and creating something original. VanderMeer's latest book offers practical and inspirational guidance for readers to find their individual path into this realm. Including sections on art, fashion, architecture, crafts, music, performance, and storytelling, *The Steampunk User's Manual* provides a conceptual how-to guide that motivates and awes both the armchair enthusiast and the committed creator. Examples range

from the utterly doable to the completely over-the-top, encouraging participation and imagination at all levels.
