White Men Can't Hump (As Good As Black Men): Volume I: Race & Sex in America by Todd Wooten ISBN 1425957439

White Men Can't Hump is a book of hope. The hope is that one day Black Men in America will no longer be viewed as unintelligent, unattractive, undesirable, uncivilized, and just plain old worthless. White Men Can't Hump will address why Black Men in America are perceived in such a negative way, and will also explore the origins of this negativity. White Men Can't Hump will also explore how this negativity has been spread for the last four centuries (a la Stereotypes), and why this negativity has been spread (a la "Fear of the Black Penis"). Several of these so-called negative Stereotypes will be closely examined and shown in a new light. White Men Can't Hump will ask why two well known Stereotypes that have been historically assigned to Black Men, are only considered negative when applied to Black Men. Most men desire a large Penis and an elevated

sexual prowess, but all across America (in offices, bars and locker rooms) the Black Penis and Black Prowess are routinely the Punch Line to jokes. White Men Can't Hump will ask why, and will also ask a question that will create a debate for the ages: "Who's better in bed, Black Men or White Men?" White Men Can't Hump will take you the reader on an educational and enlightening journey through America's past and present with the hope of changing America's future. So sit back and enjoy or cuss, agree or disagree, and most importantly think with an open mind. Because whether you like it or not, White Men Can't Hump tells the story of who all of us are, where we've come from, and where we're going. White Men Can't Hump is divided into two VOLUMES. VOLUME I focuses on how Sex has historically affected Race relations in America, and VOLUME II focuses on how Race has affected Sex relations in America. Don't be confused by the similar titles because both VOLUMES pack a different Racial, Sexual, Political, and Social punch.
