Please note: This is a novelette. Flash fiction is a fun and quick read, not a full length novel.

History is told from one person's perspective. Sometimes they don't get it right.

Ugly Stepsister Anna has wrongly been accused of being mean and evil. Now it is time she got the opportunity to tell her side of the story.

With Cinderella so perfect and wonderful, it is no wonder Anna feels ugly in comparison. Dealing with bullies, a grumpy mother and the death of her step-father, Anna is at her wits end.

When the Prince's ball approaches, Anna is told she must find a husband to save the family fortune. Attending with her sisters, the sulky Prince Charming only has eyes for Cinderella.

With the burden of being the only one to unite her step-sister with the Prince, will Anna act as cupid? Or will she protect Cinderella from the arrogant Charming?

A charming twist to the story of Cinderella, told completely from the point of view of the Ugly Step-Sister.
