The Winter Soldiers: The Battles for Trenton and Princeton by Richard M. Ketchum ISBN 0805060987

In the fall of 1776 the British delivered a crushing blow. New York fell and the anguished retreat through New Jersey followed. Winter came with a vengeance, bringing what Thomas Paine called “the times that try men’s souls.”

The Winter Soldiers is the story of a small band of men held together by George Washington in the face of disaster and hopelessness, desperately needing at least one victory to salvage both cause and country. It is a tale of unimaginable hardship and suffering that culminated in the battles of Trenton and Princeton. Without these triumphs, the rebellion that had begun so bravely could not have gone on.

Born in Pittsburgh, Pennsylvania, Richard M. Ketchum graduated from Yale University and commanded a submarine in the South Atlantic during World War II. As director of book publishing at American Heritage Publishing Company for twenty years, he edited many of that firm's volumes, including *The American Heritage Book of the Revolution* and *The American Heritage Picture History of the Civil War*, which received a Pulitzer Prize Special Citation. Ketchum was the cofounder and editor of *Blair & Ketchum's Country Journal*, a monthly magazine about rural life. He and his wife live on a sheep farm in Vermont. He is the author of two other Revolutionary War classics: *Decisive Day* and *The Winter Soldiers*.

The Winter Soldiers: The Battles for Trenton and Princeton Review

This The Winter Soldiers: The Battles for Trenton and Princeton book is not really ordinary book, you have it then the world is in your hands.
