Revelation! The Single Story of Divine Prophecy to Abraham and His Descendants--the Jews, Christians & Muslims by Jane McCabe ISBN B0091HL0YI

REVELATION! The Single Story of Divine Prophecy to Abraham and His Descendants--the Jews, Christians & Muslims tells the story of divine prophecy as ONE story, recognizing Mohammad as a prophet within the Judeo-Christian tradition and comparing stories from the Quran with their Biblical versions. The implication that "it's all of one fabric" are vast: If Mohammad is recognized as a legitimate prophet by Jews and Christians and the Quran is the record of his revelations, then the Quran should be used to inform not only Muslims but also Jews and Christians. The entire argument hinges on the belief that God (Allah) has periodically broken through mundane reality

with messages for us.

In this exciting Ms. McCabe thoroughly examines this very real possibility.
