The Struggle with the Daemon: Hölderlin, Kleist and Nietzsche by Stefan Zweig ISBN 1906548862 *The Struggle with the Daemon* is a brilliant analysis of the European psyche by the great novelist and biographer Stefan Zweig. Zweig studies three giants of German literature and thought: Friedrich Holderlin, Heinrich von Kleist and Friedrich Nietzsche – powerful minds whose ideas were at odds with the scientific positivism of their age; troubled spirits whose intoxicating passions drove them mad but inspired them to great works. In their struggle with their inner creative force, Zweig reflects the conflict at the heart of the European soul – between science and art, reason and inspiration.

Both highly personal and philosophically wide-ranging, this is one of the most fascinating of Zweig's renowned biographical studies.
