London Underground: 1863 onwards (all lines and extensions) Designing, building and operating the world's oldest underground (Owners' Workshop Manual) by Paul Moss ISBN 0857333690

The London Underground, or Tube, is an icon: it is the world's oldest underground rail network and remains one of its largest and busiest. The Haynes *London Underground Owners' Workshop Manual* provides a detailed insight into its design, construction, operation and maintenance, featuring fascinating photographs and drawings from the archives along with essential technical

details and an engaging narrative. Lively presentation and an abundance of colour imagery make this book an essential read for all enthusiasts of the Underground, railways and, indeed, historic London.
