

Read & Write Science Mini-journals PDF

Read & Write Science Mini-journals by Nancy Finton ISBN 0439415322

These reproducible booklets with easy hands-on activities and quick writing prompts teach key science topics and provide an easy way to meet the science standards and hone students' writing skills at the same time! Each mini-journal contains a simple hands-on investigation that requires little or no materials, a recording page for students to write their observations, and a thought-provoking prompt that gives kids practice in writing fiction and nonfiction. Topics include the senses, plants and seeds, animal defense, weather, space, and more.
