The Hat by Jan Brett ISBN 0399231013

When Lisa's woolen stocking flies off the clothesline, Hedgeie finds it and pokes his nose in. He tries to pull it out, but the stocking gets stuck on his prickles -- and the fun begins.

A mother hen comes by, then a noisy goose, a talkative barn cat, a playful farm dog, a mama pig and her piglets, and a pony. They all laugh at Hedgeie, especially when he pretends he's wearing a new hat. But in the end, it is clever Hedgeie who has the last laugh.

And where is Lisa when all of this is going on? She's in the borders, getting ready for winter, until she realizes her stocking is missing and she enters the story to look for it.

Jan Brett's luminous paintings of a Scandinavian farm and the forest around it are bathed in northern light, as the snow begins to fall and the story begins, in this delightfully original companion book to *The Mitten*.
