Today only, get this Amazon bestseller for just \$2.99. Regularly priced at \$4.99. Read on your PC, Mac, smart phone, tablet or Kindle device.

You're about to discover how to make healthy and delicious baby food recipes which are easy to cook. Organic food is free from harmful pesticides and synthetic chemicals that can be very harmful to one's health. Organic homemade baby food has more nutritional benefits as opposed to bottled or instant baby food that contains cancer-causing preservatives.

You don't need to be a chef to prepare tasty and nutritious organic food for your little one. This cookbook contains easy to make recipes for infants 6 months old and above. Whether you are following the traditional way of feeding (spoon feeding) or trying the latest feeding method of baby-led weaning, you are sure to find recipes in this book that would be easy for you to prepare.

The health benefits of organic food are long-term and you will have the peace of mind that your child will grow up to become a very healthy and active person in the future.
