The Power of Project Management Leadership: Your Guide on How to Achieve Outstanding Results by Laszlo A. Retfalvi ISBN 1493652281

Very few initiatives today are so simple that they require little or no project management to guide them along. Those days are behind us. Now it takes project management leadership to successfully drive today's aggressive and complex projects. Mastering project management leadership is what makes any Project Manager an outstanding Project Manager. Perfect for all levels of project management practitioners, The Power of Project Management Leadership lays out critical groundwork for creating successful and outstanding Project Managers. This includes not only Project Managers at every level, but also important and, at times, overlooked individuals who

support project management activities as well as those who interact with Project Managers as part of their work. Based on extensive and practical industry experience, the Project Management Leadership Model© is used as a framework and guide to better understand and develop the critical skills needed to achieve this highly sought-after level of project manager performance. The material also includes a very important assessment aspect. Readers will be able to assess their skills using the model and determine areas that may need improvement. Also included is a section with information to help readers develop these areas. Written in a concise, easy-to-understand, non-technical manner, it is a valuable addition to any Project Manager's library.
