Constantine's Sword: The Church and the Jews, A History by James Carroll ISBN 0618219080

“A rare book that combines searing passion with a subject that has affected all of our lives.”—*Chicago Tribune*

Novelist, cultural critic, and former priest James Carroll marries history with memoir as he maps the two-thousand-year course of the Church's battle against Judaism and faces the crisis of faith it has sparked in his own life. “Fascinating, brave, and sometimes infuriating” (*Time*), this dark history is more than a chronicle of religion. It is the central tragedy of Western civilization, its fault lines reaching deep into our culture to create “a deeply felt work” (*San Francisco Chronicle*) as Carroll

wrangles with centuries of strife and tragedy to reach a courageous and affecting reckoning with difficult truths.
