Audiences: A Sociological Theory of Performance and Imagination by Nick Abercrombie, Brian Longhurst ISBN 0803989628

Audiences are problematic and the study of audiences has represented a key site of activity in the social sciences and humanities. Offering a timely review of the past 50 years of theoretical and methodological debate **Audiences** argues the case for a paradigmatic shift in audience research.

This shift, argue the authors, is necessitated by the emergence of the 'diffused audience'. Audience experience can no longer be simply classified as 'simple' or 'mass', for in modern advanced capitalist societies, people are members of an audience all the time. Being a member of an audience is no longer an exceptional event, nor even an everyday event, rather it is constitutive

of everyday life. This book offers an invaluable rev
