One Drop: How to Stop the Killing by Charles Pender ISBN B00RKO4G22

She was a hooker, and a looker, and phat as a swamp possum with the mumps. Her skin was smooth as fried meat grease, her tongue was sweet as a honeycomb. Blind men would turn around to get a second look... but she was still a One Drop prostitute. In this book, she and her kin folk, some dancin' on the street naked, others who was despised and rejected, even by the preachers, will flip the script on racism in America both internally and externally forever, and begin the process of stopping the killing. One Drop is just Bodacious.
