The Crown and the Cosmos: Astrology and the Politics of Maximilian I by Darin Hayton ISBN 082294443X

Despite its popular association today with magic, astrology was once a complex and sophisticated practice, grounded in technical training provided by a university education. *The Crown and the Cosmos* examines the complex ways that political practice and astrological discourse interacted at the Habsburg court, a key center of political and cultural power in early modern Europe. Like other monarchs, Maximilian I used astrology to help guide political actions, turning to astrologers and their predictions to find the most propitious times to sign treaties or arrange marriage contracts. Perhaps more significantly, the emperor employed astrology as a political tool to gain support for his reforms and to reinforce his own legitimacy as well as that of the Habsburg dynasty. Darin Hayton analyzes the various rhetorical tools astrologers used to argue for the nobility, antiquity,

and utility of their discipline, and how they strove to justify their “science” on the grounds that through its rigorous interpretation of the natural world, astrology could offer more reliable predictions. This book draws on extensive printed and manuscript sources from archives across northern and central Europe, including Poland, Germany, France, and England.

## **The Crown and the Cosmos: Astrology and the Politics of Maximilian I Review**

This The Crown and the Cosmos: Astrology and the Politics of Maximilian I book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This kind of The Crown and the Cosmos: Astrology and the Politics of Maximilian I without we recognize teach the one who looking at it become critical in imagining and analyzing. Don't be worry The Crown and the Cosmos: Astrology and the Politics of Maximilian I can bring any time you are and not make your tote space or bookshelves' grow to be full because you can have it inside your lovely laptop even cell phone. This The Crown and the Cosmos: Astrology and the Politics of Maximilian I having great arrangement in word and layout, so you will not really feel uninterested in reading.
