Thir5t (THIR5TY Series) (Volume 2) by O R N ISBN 1480069094

*THIR5T*, the follow-up to O.R.N.'s debut novel *Tweak3nd*, is a humorous deconstruction of college partying and fornicating in the digital age.

We follow the philosophical and self-aware partying and after-partying musings of the invisible protagonist from *Tweak3nd*, student identification number @02596194. It reads like a melodious, deadpan joke and includes eight loosely-connected social-media narratives about coming-of-age while drunk, high, and disconnected in Washington, DC. #AMustRead
