The Law Above The Law by John Warwick Montgomery ISBN 1945500069

From the description on the back of the book: "We are well on the way to the fulfillment of this prophetic statement. When the level of public virtue falls, our interpretation of justice tends to modify downward. If, therefore, our only criterion for judging ethical action is the current collective conscience, we have no valid standard whatever, since that conscience is constantly being altered. Result: Our legal system is fast becoming the tool of public opinion. Is there an alternative? Montgomery insists that modern men must begin once again to judge their behavior on the basis of God's revelation of right and wrong. In this little book he argues his case briefly but brilliantly, and conveys a sense of certainty that is both challenging and refreshing."

The Law Above The Law Review

This The Law Above The Law book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get.
