The Ordeal of Change by Eric Hoffer ISBN B006YVN7S6

Eric Hoffer--one of America's most important thinkers and the author of *The True Believer*--lived for years as a Depression Era migratory worker. Self-taught, his appetite for knowledge--history, science, mankind--formed the basis of his insight to human nature. Nowhere is this more evident than in Hoffer's seminal work, *The Ordeal of Change*, essays on the duality and essentiality of change in man throughout history.
