Humor and Information Literacy: Practical Techniques for Library Instruction by Joshua Vossler, Scott Sheidlower ISBN 1598845322

How could humor be appropriate in the academic library? After all, "being funny" doesn't contribute to education nor professionalism. Actually, using humor while teaching is a method proven to be effective in helping students learn and can also prevent educator burnout. This book provides practical techniques that everyone can employ successfully to infuse their information literacy instruction with humor—regardless of whether they're "naturally funny" or not. How can humor be applied by academic librarians to better teach information literacy? And why is humor such an effective teaching tool? This book provides a cross-disciplinary review of the literature regarding use of humor in tertiary education settings, and specifically in library science; explains its effectiveness for capturing and maintaining student attention when covering necessary subjects;

and presents the invaluable personal experiences of instruction librarians across North America who regularly use humor in the classroom. || *Humor and Information Literacy: Practical Techniques for Library Instruction* addresses the subject in both a scholarly and a practical manner. The first section of the book contains original multi-disciplinary essays covering humor in the fields of communication theory, education, library science, psychology, and even stand-up comedy. The second section documents practical techniques that practicing librarians use to teach information literacy with humor, accompanied by commentary by the authors. |â€¢ Provides an unprecedented discussion of humor and information literacy instruction in the field of library science|â€¢ Showcases nearly 50 techniques used by an international group of practicing librarians for incorporating humor into information literacy instruction at a college level|â€¢ Brings together the fields of library science, education, psychology, communication theory,
