Now he's on a dangerous quest for the answers to who he is and what he has become...and engaged in an epic battle to save us, and his soul, from the clutches of pure evil.

Matt believes an institutionalized madman may hold the secret to defeating Mr. Dark, the horrific jester with the rotting touch who has tormented him ever since his miraculous resurrection. So he infiltrates a lunatic asylum, where is swept up in a spiral of bloodshed and insanity, all stoked by supernatural forces that he's never faced before....and that might just drive him to madness.
