Mean Justice by Edward Humes ISBN 0671034278

Besieged by murder, rape, and the most vile conspiracies, the all-American town of Bakersfield, California, found its saviors in a band of bold and savvy prosecutors who stepped in to create one of the toughest anti-crime communities in the nation. There was only one problem: many of those who were arrested, tried, and imprisoned were innocent citizens.

In a work as taut and exciting as a suspense novel, Pulitzer Prize-winning author and journalist Edward Humes embarks on a chilling journey to the dark side of the justice system. He reveals the powerful true story of retired high-school principal Pat Dunn's battle to prove his innocence. And how Dunn, prosecuted for killing his wife to inherit her millions, was the victim of a case tainted by hidden witnesses, concealed evidence, and behind-the-scenes lobbying by powerful politicians.

Even more disturbing, Humes demonstrates how the mean justice dispensed in Bakersfield is part

of a growing national trend in which innocence has become the unintended casualty of today's war on crime. American cities are enjoying their lowest crime rates in decades. But at what price? Mean Justice provides answers both compelling and frightening.

## Mean Justice Review

This Mean Justice book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This kind of Mean Justice without we recognize teach the one who looking at it become critical in imagining and analyzing. Don't be worry Mean Justice can bring any time you are and not make your tote space or bookshelves' grow to be full because you can have it inside your lovely laptop even cell phone. This Mean Justice having great arrangement in word and layout, so you will not really feel uninterested in reading.
