

# Business Statistics, Student Value Edition (2nd Edition) PDF

Business Statistics, Student Value Edition (2nd Edition) by Robert A. Donnelly ISBN 0321930673  
This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value—this format costs significantly less than a new textbook. Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Robert Donnelly's **Business Statistics** eliminates the intimidation factor from learning statistics for

business. The **Second Edition** maintains Donnelly's successful straightforward, conversational approach that explains each concept and why it is important directly to students. Through an abundance of comments that clarify specific topics, a variety of applications, and Your Turn practice throughout each chapter, students see business statistics in action—both in the classroom and in the world around them.

This package consists of
