Song of the Stars: A Christmas Story by Sally Lloyd-Jones ISBN 0310722918

The skies shouted it to the seas that thundered it to the waves that roared it to the great white whales that sang it to the starfish in the deep. And tiny sandpipers danced it on shining sands... "It's time! It's time!" On one quiet night, creation whispered a secret. Grass and bees, robins and trees all spread the word. Sheep told their young while angels sang the song to the shepherds. Hushed news of a miracle echoed to the ends of the earth. The moment had come. The long-awaited child had arrived! Creation cried out in celebration, but only a few people heard. Only a few joined nature's chorus, a song in praise of the newborn King.
