Arguably P.G. Wodehouse's most endearing character, Reginald Jeeves is a "gentleman's personal gentleman" (a valet) to the foppish Bertie Wooster. Subtle and clever, Jeeves carefully oversees Wooster's life, often coming up with complicated plans to extricate young Wooster from the latest calamity in his life, be it legal, social, or womanly.

This collection contains seven Jeeves works, including the novel RIGHT HO, JEEVES. Includes an active table of content for easy navigation.
