No Island of Sanity: Paula Jones v. Bill Clinton: The Supreme Court on Trial (Library of Contemporary Thought) by Vincent Bugliosi ISBN 0345424875

" One would like to think that the U.S. Supreme Court, the highest Court in the land, is the one island of sanity still remaining. But if what you folks are about to read is any indication, we've all got a lot to worry about. The question that presents itself is whether the near pathological dizziness and irrationality in our society has so invaded this nation's marrow that, like a wild-infectious virus, even the Supreme Court is not immune."

--from NO ISLAND OF SANITY

Now, in the powerful premiere of the Library of Contemporary Thought, Vincent Bugliosi takes a timely swipe at the Supreme Court's decision in Paula Jones v. Bill Clinton. Famed as the prosecutor of Charles Manson and author of the classic bestseller *HELTHER SKELTER*, Bugliosi argues that the high court has rarely been proved so wrong, so fast.
