How Winter Began: Stories (Flyover Fiction) by Joy Castro ISBN 0803276605

Irène gives the wealthy businessmen what they want, diving headfirst into the filthy river, thinking only of providing for her baby daughter, Marisa, as the men salivate over her soaked body emerging onto the bank. A young boy tries to befriend the reticent younger sister of the town's cruelest bully, only to discover the family betrayal behind her quiet countenance. Josefa, a young bride, is executed for murdering the man who raped her. Joy Castro's *How Winter Began* traces these and other characters as they seek compassion from each other and themselves.

Thematically linked by the lives of women, especially Latinas, and their experiences of poverty and violence in a white-dominated, wealth-obsessed culture, *How Winter Began* is a delicately wrought

collection of stories. The question at the heart of this riveting book is how or whether to trust one another after the rupture of betrayal.

How Winter Began: Stories (Flyover Fiction) Review

This How Winter Began: Stories (Flyover Fiction) book is not really ordinary book, you have it then the world is in your hands.
