The Ties That Bind (Fiona Fitzgerald Mystery Series Book 7) by Warren Adler ISBN B00YNSTCUO

Rumors are abuzz at the Supreme Court that an associate justice has a not-so-secret sadomasochistic fetish. When Metropolitan Police detective Fiona Fitzgerald is called in to investigate the city's latest gruesome murder that involves S&M, she is forced to look at these rumors—and face her own painful memories.

But when Fiona discovers a connection between an old acquaintance and the dead girl, she is determined to prove that the secrets of sexual aberration and the fear of exposure are the driving factors of this murder. As her personal drive to make peace with her past collides with criminal sexual conduct, Fiona finds herself in harm's way. Is her desire for revenge impairing the

investigation?

The Ties That Bind is the seventh book in the eight-book Fiona Fitzgerald Mystery series.
