Apocalyptic Fears I: Collected Bestsellers: A Multi-Author Box Set by David VanDyke, Marilyn Peake, David Beers, Lisa Grace, Frank Tayell, K. D. McAdams, Saul Tanpepper, W. R. Benton, C. J. Anderson, J. Thorn, Chris Northern, Griffin Hayes, Leif Sterling, Laurence Moore ISBN B0186I0S6S

More than 3000 pages of apocalyptic fiction for a bargain price. This is Volume 1. Look for Volume 2 in the series for more great stories!

When the world falls apart, when civilization collapses, when life as we know it ends, our greatest terrors becomes real. Perhaps it's nuclear war with its poisonous radiation, hideous plagues or chemical contamination, rogue artificial intelligences controlling killer robots, or zombies that turn our friends and neighbors into inhuman monsters. What can the common man or woman do in the face of apocalyptic fears?

Apocalyptic Fears I and II are collections of bestselling, award-winning or just plain exciting stories by some of the best independent authors of today.

Reaper's Run by David VanDyke

When US Marine Sergeant Jill Repeth's blown-off legs begin to regenerate, she thinks it's a

medical miracle, but the breakthrough that heals her war injuries is exactly what the government desperately wants to quash - by any means necessary.

Mutation Z, Parts 1 and 2 by Marilyn Peake

When Emma Johnson graduates from nursing school, she takes a job in an Ebola treatment camp inside Liberia, West Africa. There, she uncovers a secret about this facility: a biological horror soon to be unleashed upon the world.

The Singularity: Heretic by David Beers.

In a dystopian world where humans must meet specifications to continue living, a man named Caesar emerges, thinking things no human should. All eyes fall on him, eyes that could kill him or lift him up, lead him to tragedy or revolution.

Feudal Land by Lisa Grace.

When their school bus grinds to a halt from an EMP blast, Cam McGee's, daughter of a doomsday prepper and Jaren, a foster teen she barely knows, head to an enclave deep in the Carolina Mountains.

Surviving the Evacuation: London by Frank Tayell

Nowhere is safe from the undead. Anarchy and civil war grip Britain. Bill Wright is trapped, alone, running out of food and water.

Annihilation: The Seamus Chronicles, Book 1 by K. D. McAdams

Teen genius Seamus Robinson and his family survived the fast-moving virus killing off the human race. Brains will be as important as brawn if they are to survive a post-apocalyptic cross-country road trip.

CONTAIN: A BUNKER 12 Novel by Saul Tanpepper

The Flense spreads with ruthless speed and stealth. The infected are turned into soulless creatures which wreak destruction upon anyone and anything in their path.

The Fall of America: Premonition of Death by W. R. Benton

It started with the biggest stock market crash in history. Soon, a devastated America comes under new siege--invading Russian troops.

Dark Apocalypse by C. J. Anderson

Lauren Vasquez wakes up one morning in an underground bunker to discover the destruction of Earth, and a homicidal artificial intelligence is choosing who lives and who dies.

Portal Arcane, Reversion: The Inevitable Horror by J. Thorn

With a noose around his neck, Samuel must outrun the ominous cloud eating away at his world before it collapses upon itself.

Dancing with Darwin Chris Northern

A plague of Insanity is enough to bring civilization crashing to the ground, but the crazy-bug is only the start of humanity's problems.

Primal Shift by Griffin Hayes

Something is affecting our minds, our sanity. Could it be a terrorist attack? The ultimate virus? Or an experiment gone horribly wrong?

Nano Contestant, Parts 1 and 2 by Leif Sterling

In 2114, Pinnacle Corporation, the world's largest tech company, hosts the Tech Games to showcase the world's latest technology. The contestants must battle it out in 11 brutal games!

The Wasteland Soldier, Book 1, A Fractured World by Laurence Moore

In a future world devoid of medicine, is the ability to heal a gift ... or a curse?
