The Puritan Hymn and Tune Book: Designed for Congregational Singing, Social Meetings (Classic Reprint) by Congregational Board Of Publication ISBN B008KQWBSA

Entered according to Act of Congress, in the year 1858, by THE CONGREGATIONAL BOARD OF PUBLICATION, in the Clerk's Office of the District Court for the District of Massachusetts. PREFACE. The liability and claims of The Puritan Hymn and Tune Book: can be expressed in few words, it has grown out of the necessities of the pastors and people, of those churches under whose auspices it appears, in their attempts to introduce congregational singing. Looking for help, they found existing collections, designed for that purpose, too large, cumbersome, and expensive, with so many hymns which are seldom or never read, and so many tunes which our congregations

cannot sing, that they can be often used only by the awkward arrangement of singing a hymn in one part of the book to a tune in another. To remedy these difficulties the idea was suggested of preparing a comparatively small manual, containing a few (38) tunes, standard, simple and familiar, such as we use at our social meetings and on anniversary occasions, when the people sing, adapted to a limited number of hymns, (337) selected by the pastors themselves, and, of course, regarded by them as the best within the range of their reading, a task of no great difficulty, from the fact, which examination reveals, that our pastors and people read mainly the same hymns and sing the same tunes. Availing themselves of this fact, and aided by such professional assistance as they needed, they have prepared a book for their own necessities, developed in their attempts to promote singing in the great congregation, the social meeting, and around the fireside. To these have been added several (29) Special Hymns and Tunes, most of which have been so long sung together that, in the popular mind, they seem wedded to each other including a number of (so called) Revival Melodies which may be sung in the regular way, or used for that purpose.
