Foreclosure Survival Kit by Michael Callaghan ISBN 1434830705

You really can stop foreclosure and save your home, without paying thousands of dollars in legal fees, filing for bankruptcy, or subjecting yourself to the many vultures who are lurking around waiting to pick on you. If you are in foreclosure now or could be soon, you can't afford to sit around and wait to see what happens. Regardless of how or why it happened, or whose fault it is, now is not the time to be pointing fingers. Your bank is threatening to take your home away from you, and things are happening way too fast. Now is the time to take action. Plus, you've probably already received a lot of mail, phone calls and even visits from people offering to "help." Most of them want you to sell your home to them at fire-sale prices. There is another way. Believe it or not, about 95% of homeowners facing foreclosure don't need to sell their homes at fire-sale prices. In fact, if you're like most people you probably don't need to sell at all! You need the information in this book.
