From Antz to Titanic: Reinventing Film Analysis by Martin Barker, Thomas Austin ISBN 0745315798

Everybody analyses films. Ordinary viewers, chatting on the way home afterwards. Reviewers, telling us just enough to tempt or put off. Critics, 'situating' films for us. Moralists, hunting for the (harmful) message. So what exactly is it that film academics do that's different? Martin Barker and Thomas Austin provide a jargon-free, accessible and student-friendly introduction to film analysis. They begin with a discussion about audience and a detailed case-study on four conflicting analyses of Capra's *It's A Wonderful Life*. The authors examine a range of popular Hollywood films in a variety of genres, including *Titanic*, *Deep Impact*, *Sleepless in Seattle*, *The Lion King*, *Starship Troopers* and *The Usual Suspects*, and provide vivid demonstrations of what can and can't be achieved with close textual analysis. The book ends by proposing a list of measures for assessing

the adequacy of film analyses: measures intended to lay the basis of a way of doing film analysis which goes beyond theoretically-predetermined and often obscurantist assertions. Explicitly rejecting much of the theoretical baggage that dogs contemporary film analysis, Barker and Austin strip the subject down to its bare essentials. The result is a provocative and timely reexamination of many of the basic tenets in film theory and analysis.

From Antz to Titanic: Reinventing Film Analysis Review

This From Antz to Titanic: Reinventing Film Analysis book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get.
