Environmental Law Handbook by Christopher L. Bell, F. William Brownell, David R. Case, Kevin A. Ewing, Jessica O. King, Stanley W. Landfair, Duke K., III McCall, Marshall Lee Miller, Karen J. Nardi, Austin P. Olney, Thomas Richichi, John M. Scagnelli, James W. Spensley, Daniel M. Steinway, Rolf R. von Oppenfeld ISBN 1598886673

The environmental field and its regulations have evolved significantly since Congress passed the first environmental law in 1970, and the *Environmental Law Handbook*, published just three years later, has been indispensable to students and professionals ever since. The authors provide clear and accessible explanations, expert legal insight into new and evolving regulations, and reliable compliance and management guidance.

The *Environmental Law Handbook* continues to provide individuals across the country—professionals, professors, and students—with a comprehensive, up-to-date, and easy-to-read look at the major environmental, health, and safety laws affecting U.S. businesses and

organizations. Because it is written by the country's leading environmental law firms, it provides the best, most reliable guidance anywhere.

Both professional environmental managers and students aspiring to careers in environmental management should keep the *Environmental Law Handbook* within arm's reach for thoughtful answers to regulatory questions like:

- How do I ensure compliance with the regulations?
- How do the latest environmental developments impact my operations?
- How do we keep our operations efficient and our community safe?

This handbook begins with chapters on the fundamentals of environmental law and on issues of enforcement and liability. It then dives headfirst into the major laws, examining their history, scope, and requirements with a chapter devoted to each.

The 22nd edition of this well-known handbook has been thoroughly updated, covering major changes to the law and enforcement in the areas of Clean Air, Clean Water, Climate Change, Oil Pollution, and Pollution Prevention. This is an essential reference for environmental students and professionals, and anyone who wants the most up-to-date information available on environmental laws.
