Staging the Blues: From Tent Shows to Tourism by Paige A. McGinley ISBN 0822357453

Singing was just one element of blues performance in the early twentieth century. Ma Rainey, Bessie Smith, and other classic blues singers also tapped, joked, and flaunted extravagant costumes on tent show and black vaudeville stages. The press even described these women as "actresses" long before they achieved worldwide fame for their musical recordings. In *Staging the Blues*, Paige A. McGinley shows that even though folklorists, record producers, and festival promoters set the theatricality of early blues aside in favor of notions of authenticity, it remained creatively vibrant throughout the twentieth century. Highlighting performances by Rainey, Smith, Lead Belly, Sister Rosetta Tharpe, Sonny Terry, and Brownie McGhee in small Mississippi towns, Harlem theaters, and the industrial British North, this pioneering study foregrounds virtuoso blues artists who used the conventions of the theater, including dance, comedy, and costume, to stage

black mobility, to challenge narratives of racial authenticity, and to fight for racial and economic justice.

## **Staging the Blues: From Tent Shows to Tourism Review**

This Staging the Blues: From Tent Shows to Tourism book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get.
