The Immortals of Meluha: The Shiva Trilogy: Book 1 by Amish Tripathi ISBN 1623656540

Amish Tripathi devoted years to the research of Hindu mythological stories and history, and discussions with his family about the destiny of the human body, mind and soul to create this sweeping and fascinating adaptation of ancient Hindu mythology for modern fantasy readers.

1900 BC in what modern Indians call the Indus Valley Civilization and the inhabitants called the land of Meluha: a near-perfect empire created many centuries earlier by Lord Ram--one of the greatest monarchs that ever lived--faces peril as its primary river, the Saraswati, is slowly drying to extinction. The Suryavanshi rulers are challenged with devastating terrorist attacks from the east, the land of the Chandravanshis. To make matters worse, the Chandravanshis appear to have allied with the Nagas, an ostracized and sinister race of deformed humans with astonishing martial

skills.

The only hope for the Suryavanshis is an ancient legend: When evil reaches epic proportions, when all seems lost, a hero will emerge. Is the unexpected, rough-hewn Tibetan immigrant Shiva that hero? Drawn suddenly to his destiny, duty, and by love, Shiva will attempt to move mountains and lead the Suryavanshi to destroy evil.
