Not illustrated. 1912 edition. Excerpt: ... THE PLACE OF THE URANIAN IN SOCIETY Whatever differing views there may be on the many problems which the Intermediate sexes present--and however difficult of solution some of the questions involved--there is one thing which appears to me incontestable: namely that a vast number of intermediates do actually perform most valuable social work, and that they do so partly on account and by reason of their social temperament. This fact is not generally recognised as it ought to be, for the simple reason that the Uranian himself is not recognised, and indeed (as we have already said) tends to conceal his temperament from the

public. There is no doubt that if it became widely known who are the Uranians, the world would be astonished to find so many of its great or leading men among them. I have thought it might be useful to indicate some of the lines along which valuable work is too being performed, or has been performed, by people of this disposition; and in doing this I do not of course mean to disguise or conceal the fact that there are numbers of merely frivolous, or feeble or even vicious homosexuals, who practically do no useful work for society at all--just as there are of normal people. The existence of those who do no valuable work does not alter the fact of the existence of others whose work is of great importance. And I wish also to make it clearly understood that I use the word Uranians to indicate simply those whose lives and activities are inspired by a genuine friendship or love for their own sex, without venturing to specify their individual and particular habits or relations towards those whom they love (which relations in most cases we have no means of knowing). Some Intermediates of light and leading--doubtless not a few--are...
