Sight and Embodiment in the Middle Ages: Ocular Desires by Suzannah Biernoff ISBN 033396120X

Sight and Embodiment in the Middle Ages breaks new ground by bringing postmodern writings on vision and embodiment into dialogue with medieval texts and images: an interdisciplinary strategy that illuminates and complicates both cultures. This is an invaluable reference work for anyone interested in the history and theory of visuality, and it is essential reading for scholars of art, science, or spirituality in the medieval period.
