Lincoln and Douglas: The Debates that Defined America (Simon & Schuster Lincoln Library) by Allen C. Guelzo ISBN 0743273214

In 1858, Abraham Lincoln was known as a successful Illinois lawyer who had achieved some prominence in state politics as a leader in the new Republican Party. Two years later, he was elected president and was on his way to becoming the greatest chief executive in American history.

What carried this one-term congressman from obscurity to fame was the campaign he mounted for the United States Senate against the country's most formidable politician, Stephen A. Douglas, in

the summer and fall of 1858. Lincoln challenged Douglas directly in one of his greatest speeches -- "A house divided against itself cannot stand" -- and confronted Douglas on the questions of slavery and the inviolability of the Union in seven fierce debates. As this brilliant narrative by the prize-winning Lincoln scholar Allen Guelzo dramatizes, Lincoln would emerge a predominant national figure, the leader of his party, the man who would bear the burden of the national confrontation.

Of course, the great issue between Lincoln and Douglas was slavery. Douglas was the champion of "popular sovereignty," of letting states and territories decide for themselves whether to legalize slavery. Lincoln drew a moral line, arguing that slavery was a violation both of natural law and of the principles expressed in the Declaration of Independence. No majority could ever make slavery right, he argued.

Lincoln lost that Senate race to Douglas, though he came close to toppling the "Little Giant," whom almost everyone thought was unbeatable. Guelzo's Lincoln and Douglas brings alive their debates and this whole year of campaigns and underscores their centrality in the greatest conflict in American history.

The encounters between Lincoln and Douglas engage a key question in American political life: What is democracy's purpose? Is it to satisfy the desires of the majority? Or is it to achieve a just and moral public order? These were the real questions in 1858 that led to the Civil War. They remain questions for Americans today.

Lincoln and Douglas: The Debates that Defined America (Simon & Schuster Lincoln Library) Review

This Lincoln and Douglas: The Debates that Defined America (Simon & Schuster Lincoln Library) book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This kind of Lincoln and Douglas: The Debates that Defined America (Simon & Schuster Lincoln Library) without we recognize teach the one who looking at it become critical in imagining and analyzing. Don't be worry Lincoln and Douglas: The Debates that Defined America (Simon & Schuster Lincoln Library) can bring any time you are and not make your tote space or bookshelves' grow to be full because you can have it inside your lovely laptop even cell phone.
