Mexico City Blues: 242 Choruses by Jack Kerouac ISBN 0802130607

Kerouac's most important poem, Mexico City Blues, incorporates all the elements of his theory of spontaneous composition. Memories, fantasies, dreams, and surrealistic free association are all lyrically combined in the loose format of the blues to create an original and moving epic. "I want to be considered a jazz poet blowing a long blues in an afternoon jam session on Sunday. I take 242 choruses; my ideas vary and sometimes roll from chorus to chorus or from halfway through a chorus to halfway into the next." "A spontaneous bop prosody and original classic literature." - Allen Ginsberg; "Kerouac calls himself a jazz poet. There is no doubt about his great sensitivity to language. His sentences frequently move into tempestuous sweeps and whorls and sometimes they have something of the rich music of Gerard Manley Hopkins or Dylan Thomas" - The New York Herald Tribune

Mexico City Blues: 242 Choruses Review

This Mexico City Blues: 242 Choruses book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get.
