Applications of Case Study Research (Applied Social Research Methods) by Robert K. Yin ISBN 1412989167

Designed to help both graduate students and start-up researchers with their own case study research, this book presents 21 individual applications of the case study method together with cross-referenced discussions of key methodological issues. Many of the applications—including a wide array of single-case studies useful as examples for solo researchers—have been shortened or re-written expressly for this book.
