Peace Like a River by Leif Enger ISBN 0802139256

Young Reuben Land has little doubt that miracles happen all around us, suspecting that his own father is touched by God. When his older brother flees a controversial murder charge, Reuben, along with his older sister and father, set off on a journey that will take them to the Badlands and through a landscape more extraordinary than they could have anticipated. Enger's novel is at once a heroic quest and a haunting meditation on the possibility of magic in the everyday world.
