Bible Myths and Their Parallels in Other Religions: Being a Comparison of the Old and New Testament Myths and Miracles With Those of Heathen by T. W. Doane ISBN B008H15EQO  
The work naturally begins with the Eden myth, and is followed by a consideration of the principal Old Testament legends, showing their universality, origin and meaning. Next will be found the account of the birth of Christ Jesus, with his history until the close of his life upon earth, showing, in connection there with, the universality of the myth of the Virgin born, Crucified and Resurrected Saviour. Before showing the origin and meaning of the myth (which is done in Chapter XXXIX.), we

have considered the Miracles of Christ Jesus, the Eucharist, Baptism, the Worship of the Virgin, Christian Symbols, the Birthday of Christ Jesus, the Doctrine of the Trinity, Why Christianity Prospered, and the Antiquity of Pagan Religions, besides making a comparison of the legendary histories of Crishna and Jesus, and Buddha and Jesus. The concluding chapter relates to the question, What do we really know about Jesus? In the words of Prof. Max Muller (The Science of Religion, p. 11): A comparison of all the religions of the world, in which none can claim a privileged position, will no doubt seem to many dangerous and reprehensible, because ignoring that peculiar reverence which everybody, down to the mere fetish worshiper, feels for his own religion, and for his own god. Let me say, then, at once, that I myself have shared these misgivings, but that I have tried to overcome them, because I would not and could not allow myself to surrender either what I hold to be the truth, or what I hold still dearer than truth, the right of testing truth. Nor do I regret it. I do not say that the Science of Religion is all gain. No, it entails losses, and losses of many things which we hold dear. About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology

## **Bible Myths and Their Parallels in Other Religions: Being a Comparison of the Old and New Testament Myths and Miracles With Those of Heathen Review**
