How to Survive Your Freshman Year (Hundreds of Heads Survival Guides) by ISBN 1933512318  
*How to Survive Your Freshman Year* offers incoming college freshmen the experience, advice, and wisdom of their peers: hundreds of other students who have survived their first year of college and have something interesting to say about it. Based on interviews with hundreds of college students at every type of higher-learning institution across the country, this book has insights on every aspect of college life, including, what to take to the dorm, living with roommates, Facebook and other social networks, extracurricular activities, choosing classes, studying, going abroad, finances, food, the social scene, doing laundry, staying in touch with friends and family, and much more. Highly readable, much of the book consists of short snippets with some interesting insight and advice from the college students interviewed. The book also includes expert input from college advisors and officers.
