AP Study Guide to accompany Human Geography: People, Place, and Culture by Erin H. Fouberg, Alexander B. Murphy, Harm J. de Blij ISBN 1118166868

Human Geography gets general readers to think geographically across scale and across a wide range of geographical phenomena and global issues. All concepts and themes are touched on with the historical background one would expect, but also with current examples to make the reading more relevant. The content is written in such a way that it is approachable and appealing. It includes all of the important themes in a succinct and engaging narrative style that can easily be understood. *From the Field* boxes and opening vignettes help anyone who has not personally traveled much of the world. General readers will also find the latest data as they build their understanding of important concepts.
