The Great Upheaval: America and the Birth of the Modern World, 1788-1800 by Jay Winik ISBN 006008314X

It is an era that redefined history. As the 1790s began, a fragile America teetered on the brink of oblivion, Russia towered as a vast imperial power, and France plunged into revolution. But in contrast to the way conventional histories tell it, none of these remarkable events occurred in isolation.

Now, for the first time, acclaimed historian Jay Winik masterfully illuminates how their fates combined in one extraordinary moment to change the course of civilization. A sweeping, magisterial drama featuring the richest cast of characters ever to walk upon the world stage,

including Washington, Jefferson, Louis XVI, Robespierre, and Catherine the Great, *The Great Upheaval* is a gripping, epic portrait of this tumultuous decade that will forever transform the way we see America's beginnings and our world
