Predestined Hearts by Kelly Elliott, Kristin Mayer ISBN B00V6IFIG6

Love has existed since the beginning of time. For Ashlin Thomas, love was an illusion that she desperately wanted to make a reality.

Returning home to Savannah, after her aunt's death, Ashlin must deal with the harsh realities life has dealt her.

As Ashlin begins sorting through her aunt's personal effects, she stumbles upon a journal. Not just any journal, but the words of her great great great grandmother, Sophia.

Two love stories intertwine with each other as Ashlin reads the beautiful words, written over a hundred years ago.

The intense connection Ashlin feels with Sophia begins to allow her to find herself. Never thinking love was possible for her, Ashlin now sees it is within her grasp.

But, life is never perfect. Life is never fair.

When faced with the decision that could change Ashlin's future ... will she sacrifice one love for another, or will her predestined heart lead her home?
