Lessons in Censorship: How Schools and Courts Subvert Students' First Amendment Rights by Catherine J. Ross ISBN 0674057740

American public schools often censor controversial student speech that the Constitution protects. *Lessons in Censorship* brings clarity to a bewildering array of court rulings that define the speech rights of young citizens in the school setting. Catherine J. Ross examines disputes that have erupted in our schools and courts over the civil rights movement, war and peace, rights for LGBTs, abortion, immigration, evangelical proselytizing, and the Confederate flag. She argues that the failure of schools to respect civil liberties betrays their educational mission and threatens

democracy.

From the 1940s through the Warren years, the Supreme Court celebrated free expression and emphasized the role of schools in cultivating liberty. But the Burger, Rehnquist, and Roberts courts retreated from that vision, curtailing certain categories of student speech in the name of order and authority. Drawing on hundreds of lower court decisions, Ross shows how some judges either misunderstand the law or decline to rein in censorship that is clearly unconstitutional, and she powerfully demonstrates the continuing vitality of the Supreme Court's initial affirmation of students' expressive rights. Placing these battles in their social and historical context, Ross introduces us to the young protesters, journalists, and artists at the center of these stories.

*Lessons in Censorship* highlights the troubling and growing tendency of schools to clamp down on off-campus speech such as texting and sexting and reveals how well-intentioned measures to counter verbal bullying and hate speech may impinge on free speech. Throughout, Ross proposes ways to protect free expression without disrupting education.

## **Lessons in Censorship: How Schools and Courts Subvert Students' First Amendment Rights Review**

This Lessons in Censorship: How Schools and Courts Subvert Students' First Amendment Rights book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This kind of Lessons in Censorship: How Schools and Courts Subvert Students' First Amendment Rights without we recognize teach the one who looking at it become critical in imagining and analyzing.
