When young and inexperienced, Jason agrees to do some work for his mother's best friend—a job working for his best friend's horny mother. He never imagined the kind of trouble that building an

outdoor kitchen would get him in.

It all starts on his first day when his best friend's lustful mother informs the horny lad that she is willing to help him in any way. The lecherous mother, a beautiful MILF, tells Jason how much she needs him, that even though she is a healthy woman she can't find satisfaction. She tells him to prepare to work very hard because she needs relief in a few days.

But the youthful, curious Jason finds himself overwhelmed by carnal urges during the building task—and to his surprise, the sexy, older woman barges in to help. She soon entices him into going in and out of the pool. She decides to teach him a few naughty things along the way... without protection! And with the participation of her curvy, mature friend. But what happens when his young girlfriend discovers the taboo affair?
