The Center of Everything by Laura Moriarty ISBN 0786888458

"A warm, beguiling book full of hard-won wisdom."--Janet Maslin, *The New York Times*

"The Center of Everything is as realistic and familiar as a summer day in Kansas--brave and gritty, strong voiced and spare."--O, *The Oprah Magazine*

Set in Kerrville, Kansas, *The Center of Everything* is told by Evelyn Bucknow, an endearing character with a wholly refreshing way of looking at the world. Living with her single mother in a small apartment, Evelyn Bucknow is a young girl wincing her way through adolescence. With a voice that is as charming as it is recognizable, Evelyn immerses the reader in the dramas of an entire community. The people of Kerrville, stuck at once in the middle of nowhere but also at the center of everything, are the source from which Moriarty draws on universal dilemmas of love and belief to render a story that grows in emotional intensity until it lifts the reader to heights achieved

only by the finest of fiction.
