Preaching Christmas: Volume One: Declaring the Advent through the Gospels, "A Christmas Carol," and Christmas Movies by Gregory Tyree ISBN 1515298965

One of the preacher's most difficult tasks is to bring new and refreshing ideas to the topic of Christmas, year after year, season after season. While the age-old story of the Nativity of Christ never gets old, our familiarity with it can often cause us to miss the point, having become desensitized by its repetition. Using the Gospels, several popular Christmas movies, and Charles Dickens' "A Christmas Carol," this collection of sermons and outlines provides the busy pastor with new material to communicate an ageless message.
