Spectrum: From Right to Left in the World of Ideas by Perry Anderson ISBN 1844671356

The focus of *Spectrum* is the range of contemporary ideas that runs from conservative to liberal to radical conceptions of state and society, rarely considered in the same optic. It looks at the theories of major minds of the twentieth-century Right, including Carl Schmitt, Leo Strauss and Friedrich von Hayek; liberal philosophers such as John Rawls, Jurgen Habermas and Norberto Bobbio; and significant figures in the culture of the Left: the historians Edward Thompson, Robert Brenner and Eric Hobsbawm; the classicist Sebastiano Timpanaro; the sociologist Goran Therborn; the novelist Gabriel Garcia Marquez. The book concludes with some comparative observations on the two leading intellectual periodicals of the UK and USA, the *London Review of Books* and *New York Review of Books*; and a piece of family history.

Spectrum: From Right to Left in the World of Ideas Review

This Spectrum: From Right to Left in the World of Ideas book is not really ordinary book, you have it then the world is in your hands.
